The Hillcrest Budget Challenge

Since 1976, the cornerstone of the Hillcrest 90-day Transitional Housing Program has been the program requirement to learn to budget using an "all needs, no wants" approach. Each year our residents pay off more than \$175,000 in debt following this model!

The 2022 Hillcrest Budget Challenge is designed to encourage you and your family to walk alongside our families to budget down to the penny from November 12 - 20, 2022.

Visit hillcrestkc.org to learn more and take the #HillcrestBudgetChallenge!
