

THE MOST NEEDED PANTRY ITEMS

for Hillcrest Residents

Perishable and non-perishable items may be dropped off at any Hillcrest housing site Monday-Friday, during office hours.

In addition, non-perishable items may be dropped off at either thrift store. Visit www.hillcrestkc.org for more info.

MEAL KITS

These items help our residents (particularly our youth residents) learn to cook at home rather than spend money eating out.

Examples: Tuna Helper, Hamburger Helper, skillet or oven sauces, mac and cheese, etc.

PERISHABLES

Meat is one of the most expensive grocery items our clients and sites budget for. Donations go a long way as our clients work to stretch their income.

Examples: Beef, chicken, pork, lunchmeat

DAIRY

Fresh staples are always appreciated at our housing sites.

Examples: Milk, eggs, cheese

SNACKS

With so many children and youth on our campuses, snack items are gold! When you pick up snacks for your own children, grab an extra box and drop it by.

Examples: Fruit cups, crackers, fruit snacks, granola bars, cereal bars

CEREALS

They say breakfast is the most important meal of the day, so these are some of our most important items. The children at our sites particularly love getting kid-friendly cereals.

Examples: Cheerios, Fruit Loops, Lucky Charms, Raisin Bran

LUNCHES

Help our residents fight the urge to eat out during their work day by providing easy, tasty lunches for them to pack.

Examples: Chunky soups, canned meals, sandwich bread, chips, yogurt, fruit

HYGIENE ITEMS

Everyone needs personal care items, and they are always needed at our sites. Items for both men and women, as well as for children, are appreciated.

Examples: Deodorant, shampoo, conditioner, diapers and wipes, feminine products, toothpaste, mouthwash, infant/child wash
